Assessor Comments	Outstanding Angus heifers that are bred in the purple with February March drop calves at foot. They where purchased as top line Angus heifers at the Wangaratta Blue ribbon sale in January from HT & JA Purcell and are Fernhill and Millah Murrah blood. The calves are by Stoney Piont Quest Q350 that was purchased for the Wood family by independent cattle assessor MR Dick Whales. The presentation and breeding that has gone into these heifers is a credit to Alan and Leanne and it shows in the quality of the cattle. This heifers are true to type Angus heifers. These cattle come highly recommended with inspections welcome. Please note 3 heifers have old pink eye scars or blue eyes.
