Assessor Comments	Vendor bred heifers that would make excellent future breeders or be taken on to feeder weights. The Schilg family have been using Dunoon Bulls for over 10 years selecting on birthweight, temperament and growth which is shown in these heifers with terrific weight for age. Presenting in forward store condition and have had a great start with all the treatments ready to join or feed on. Highly recommend! Please note: Odd heifer has old ringworm scarring and 1 heifer has old pinkeye scarring on one eye not considered detrimental.
