Very pleasant group of heifers to handle. Extremely well behaved throughout assessment. Walked up the race quietly, no mis-behaving on the scales, and all exited the crush quietly. Just one heifer that showed some anxiety in the race and crush, trying to turn around in the race, and doing some stomping once she was in the crush. She settled as soon as she was back with her sisters.

**Assessor Comments** Upper Murray bred heifers from a very well known herd, carrying the renowned Ardrossan & The Glen Angus Blood. These are very deep, long barrelled females with correct conformation, good bone & a real maternal style about them. No expense had been spared producing these cattle, receiving all the necessary animal health treatments. Well mannered Angus females that present a great opportunity to purchase as future breeders.
