	Matured minded, sensible matrons. Led up the race without any nonsense. Stood still on the scales and exited at a walk. Mothered straight back up with their calves in the yards, then walked quietly out in to the paddock for photos/videos. Very easy females in every aspect.		
Handled With	Bikes , On foot , Vehicles		
Notable Traits	Traits 1 Head Minor bottle teat (2 teats only) 2 Head White patch on flank		
Assessor Comments	Good line of mature aged cows with a bit of pedigree to them. By Pathfinder Banquet Angus Bulls. Low maintenance cows that are happy to take care of themselves. All calved unassisted down the back paddock with ease, including 2 sets of twins on the ground. Cows weighed well whilst only presenting in store to forward store condition, giving plenty of room to top up in the future for a buyer that wanted to do a spilt job down the track. Calves are all bright eyed and being very well looked after by their experienced mothers. Cows that offer plenty of investment reward. Take home & put some good bloodlines in the paddock, rejoin and sell, or fatten to split.
