Paddock

Matured minded, sensible matrons. Led up the race without too much nonsense. Stood still on the scales and exited at a walk. Mothered straight back up with their calves in the yards, but were a little bit spooky after being weighed. Exited the yards quite sensibly, but were just anxious whilst blocking up to take photos. Might of just needed some time to settle down again.

Assessor Comments

Even line of mature aged Black Baldy Cows. Low maintenance breeders that are happy to take care of themselves. All calved unassisted down the back paddock with ease, including a set of twins on the ground. Calves are all bright eyed and being very well looked after by their experienced mothers. Cows that offer plenty of investment reward. Keep, rejoin and sell, or fatten to split. Please see photos & video for full contentment.
