Assessor Comments	Albeit only a small number of livestock this a good draft of Angus Heifers. The Oates family have a well renowned and highly regarded Angus herd and have in recent years topped our Blue Ribbon Feature Sales at NVLX. They had previously purchased leading sires from Witherswood and have worked extensively on improving the breeding and genetics of their herd. These Heifers are only 11-12 months and are bred from very good Large framed Angus females and they present in ideal forward store condition. Yard weaned on the 17/5 on Hay, Silage & good water in large weaning yard. PCAS & Never Ever ACC.
