Handled With	Very quiet, extensively handled young Heifers. Some nervous behaviour shown as they were leading up the race, wanting to pause and back up as they approached the crush, but a bit of encouragement and they were fine. On foot , Vehicles
Assessor Comments	Nice line of medium framed young Heifers and calves. Heifers are doing an excellent job and putting everything in to their fresh, healthy calves. Heifers are all showing signs of cycling and are ready to be put back out with the Bulls for an early Autumn calving. Calves averaged 212kg at assessment, giving the successful purchaser the opportunity to get a good early rebate back.
