	Great to drive around in the paddock but haven't had extensive handling since purchasing , didn't respond well to being handled by strangers in the yards and would certainly move quickly if put under too much pressure, and flighty if cornered but would settle back in their mob. They handled the crush, race and weighing process well however		
Handled With	Bikes , Dogs , Vehicles		
Assessor Comments	6 x 6 Charbray Heifers and calves. Mixed sizes but good mothers doing a good job of their Angus x calves at foot. Not rejoined. One heifer particularly harder to handle
