Temperament

Yards	Crush	Paddock
Quiet: 30 head Slightly Stirry: 28 head	Quiet: 25 head Slightly Stirry: 33 head	Temperament not assessed in Paddock

Handled well throughout the yards, a few heifers have a larger flight zone then the balance but there was no intent to cause harm. Free flowing cattle when being drafted through a pound scenario, 4 heifers got agitated in the crush whilst mouthing and weighing but settled upon returning to the mob.

Handled With	Bikes , Dogs , On foot , Vehicles
Assessor Comments	Nice line of soft well bred heifers ready to join or feed on straight away. Alternatively these girls could be carried on to heavier weights or finished through the spring. Purchased ex Qld throughout April 2022 these heifers are showing good growth and will continue to do so given the right nutrition. These heifers were pregtested NDP for confidence 28/09/22. Please note vendor has 1 other lot in todays sale may assist with freight accumulation. Extended delivery available to intending purchasers affected by flooded roads contact agent prior to auction.
