| Assessor Comments  | A very good line of quiet PTIC Angus and Angus Limousin cross cow's 2nd to 4th calvers , predominately 2nd and 3rd calvers presenting in forward store condition. They are joined to stud Angus bulls for a tight 6 week period. These large framed cow's display plenty of length and depth and have a great temperament.                                                            |                                                                  |                 |     |                |      |
