Assessor Comments	10X10 NSM Angus/Friesian and Hereford/Friesian heifers with March 2023 drop Angus/Speckle Park calves at foot. The heifers are in store condition and are milking well for their first calf with all the calves looking healthy and fresh. The calves have had their first 5in1 and the bulls will be marked before delivery. Please note these heifers were purchased for a back grounding and fattening operation, but due to the next door neighbours Angus/Speckle Park bull getting in the vendor had to calve them down.
