Assessor Comments	EU accredited, Angus & Black Baldy PTIC cows to calve August/ September. They weighed 574kg full (453-738kg) at assessment, are of moderate - larger frame, and in very good order. Wando Estate always purchase high indexing Barwidgee Angus bulls with a balanced focus on the major profit drivers. These cows are predominantly younger cows and would make a great addition to most herds. Please note; vendor willing to re-preg test prior to delivery at buyer request.
