The successful purchaser has first offer to the buy the whole run or just take the lot of 420 on offer. The ewes present in good strong condition and order to join now or in the spring. The Wyralla flocks cuts a stylish wool with a flock ave of 20 micron wool at 7kgs from Wilgunya/Bungulla sires used and has done for a number of years. The Score 1 sheep in this lot have good cover, are not light condition score 1's. They are on the do, as where they are running, there has been no sheep on the country for a number of years and lots of clover burr on the ground. In the assessment there were 26 with light horn. Please note the ewes have a Purple NLIS Tag, not Yellow for 2021 drop. Has own Year ID system.
