Pregnancy Terms	AuctionsPlus Standard Terms apply.		
Assessor Comments	A tidy line of 2021 drop Poll merino ewes offered surplus to vendors requirements. Ewes are bred from very good Poll merino ewe base and will mature into moderate frame productive breeders if given the opportunity. They present very even as a group and in predominately slightly forward condition. Opportunity to put together a nice size mob packed full of excellent poll genetics. Small amount of bathurst burr and farmers friend evident on small percentage of the mob.
