			Slightly Stirry: 5 head					
	The Heifers are extremely quiet and easy to hand in both the paddock and the yards. The heifers where mustered and yarded with no issues at all. The heifers have been yard weaned, tailed out and supplementary fed since the 8/8/23. They were all a pleasure to work through the yards during the assessment process.							
Handled With	Bikes , On foot , Vehicles							
Assessor Comments	The Maroola Santa heifers are very good quality cattle, well grown for their age and in good forward store condition. All heifers are polled, and are suitable as breeder replacements, and will grow into large frame cows. The Vendor has always purchased the best quality Rosevale Santa bulls for many years. The heifers present very well, being 100 head with clean shiny coats and 20 with slightly hairy winter coats. 1 heifer has a white flank. 117 are deep cherry red and 3 light red. 1 heifer is showing slight evidence of ringworm which in no way is affecting the health or appearance of the heifer. For further information and description details please contact please contact David Buckkley 0448 010 162 - Ben Hewitt 0418 127 968
