Assessor Comments	72 Very good quality Santa and Red Angus Cross Weaned Heifers from 6 to 11 months of age. These heifers are well bred by Greenup Eidsvold Santa Bulls and Isseppi Red Angus Bulls out of very fertile Santa and Red Angus cross cows. These heifers will suit any type of trade feeder and slaughter requirements. The heifers are very soft doing and would also make ideal replacement breeders. The heifers worked well throughout the yards with and settled well as a mob. These heifers have been weaned for approximately 2 months so all the hard work has been done on them.
