Assessor Comments	A small line of steer weaners that are perfect backgrounding articles, steers are fresh condition and should continue to go forward given a rising plane of nutrition. Usually weaned and held to heavier weights but current weather conditions means calves must go. Steers are sired by quality Duddy Angus bulls and are bred out of good quality Angus and British cross cows. Steers will make ideal feeders to suit the domestic feeder markets. Grass fed and antibiotic free. please see a line heifer weaners out of the same mob in this same sale.
