Assessor Comments	A unique opportunity to secure is 9 quality young angus females. Avg 290.8kg at assessment. These heifers are sappy, soft easy fleshing types. 7-9 months. Very true to type angus females that have their whole life ahead of them. These heifers

are full of potential and suitable to be a foundation or an addition to any commercial operation. Overall, they are expectational sweet heifers from strong well-bred commercial herd. Weaners are vendor bred and recently drenched and vaccinated, put them in the paddock and watch them grow. Temperament was as good as they come with heifers easy to handle during the whole assessing process. Great group of heifers in an affordable lot size. STEER BROTHERS TO THESE HEIFERS ALSO SELL IN SALE
