Assessor Comments	An opportunity to secure is 22 sweet young angus heifers. Avg 330.5 kg at assessment. These heifers are well grown, soft easy fleshing types. 10-12 months. Very true to type angus females that have their whole life ahead of them. These heifers are full of potential and suitable to be a foundation or an addition to any commercial operation. Overall they are expectational breeders from strong well bred commercial Te Mainia blood angus cows. Heifer are vendor bred and have been properly looked after with full regular health treatments history. Great group of heifers in an affordable lot size. NOTE A handful of heifers do have a splash of white on their belly's.
