Assessor Comments	This is an opportunity to secure a phenomenal line of 30 well bred Charolais Steers. These cracking calves are backed by		

Rosedale Charolais bloodlines which have proven performance in Sydney carcass comps. Displaying great muscle patterns with the balance of soft easy doing types these steers have huge potential. Weighing in at 421.8 kg at assessment at just yearling age is more proof of their performance. Steer's present with clean health coming from good health treatment history. Everything has been done correctly in preparation for sale, the steers, come with my highest recommendations. Ideal feeder weight to jump into the feedlot and perform.
