Assessor Comments	On offer is an exceptional line of top of the drop future breeders with a good tail removed, they are out of large to medium frame cows and they present in fresh forward store condition. The heifers show great weight for age, length, depth and are really good types. These Heifers would easily feature in most people's front paddock. Highly recommended. note 1 heifer with slight blue eye and vendor has a further 19 heifers at other property in same sale.
