Handled With	Easily handled through crush and yards Bikes , Dogs , On foot , Vehicles		
Assessor Comments	A very good quality small line of Angus x Angus steers. These steers are very well bred being AI progeny from Rennylea L508 ex Blackrock Angus (WA) cows. They present in forward condition having been run on a grazing wheat crop supplemented with pellets and would finish very quickly into a light trade market if required, while also having the genetics to take out to export weights. These steers will not disappoint.		
Assessor	Nick Fogarty (Level 2 Accredited)		
Delivery Period	28/08/2023 to 01/09/2023 (5 days)
