Assessor Comments	Offering the top-of-the-drop annual draft of steer weaners on behalf of Steven Mooney of Everton. Steers have been sired by Murramongee Bulls out of Angus Cross Simmental cows. The vendor has been breeding exceptionally quiet cattle which

are easy to handle when drafting and weighing in the yards. These steers show the frame and structure that would be ideal to target feedlot entry weights or suited to grow into heavy grassfed bullocks. A tail end has been removed ensuring a genuine lead draft. Please note that vendor has another 8 heifers for offer in the same sale. Grass Fed only, Antibiotic Free.
