Assessor Comments	Offering the top-of-the-drop annual draft of heifer weaners on behalf of Steven Mooney of Everton. Steers have been sired by Murrumungee Bulls out of Angus Cross Simmental cows. The vendor has been breeding exceptionally quiet cattle which are easy to handle when drafting and weighing in the yards. These heifers show the frame and structure that would be ideal to target feedlot entry weights or suited to add to an existing joining program and join to a bull of your choice. A tail end has been removed ensuring a genuine lead draft. Please note that vendor has another 14 steers for offer in the same sale. Grass Fed only, Antibiotic Free.
