Assessor Comments	A cracking line of USDA NOP Organic Steers. Steers show good length, bone and softness and would grow out into tremendous bullocks or heavy feeders. Well bred steers, that are great to handle. There are 8 red steers in the mob from Brangus throwback or Red Angus heritage in a Angus Bull. Please note, assessor is the vendor of these steers. Steers have had 45mm on them but aren't bogging around on black soil. they are on a sandhill.
