Assessor Comments	Buyers a great oppurtunity to secure a 2 deck line of F1 Wagyu steers, fully weaned and educated and ready to bounce away ,These steers would normally be taken through to heavy feeder strs and sold to repeat buyers given their performance history, however due to no oats this year they have come to the market early. Out of large framed Ultrablack and soft Brangus cows with small percentage out of Charolais cows by Fullblood Salisbury Wagyu sires (please refer to attachments for bull pedigrees) these steers show good bone and structure and will grow out to be larger framed F1 feeders .Please note 2 steers have slight blue colouring in one eye not considered detrimental. Vendor has 4 other lines of crossbred steers this sale. . Please note vendor has 4 other lines of steers in this sale.
