Handled With: Bikes , On foot , Vehicles

Assessor Comments	An opportunity to secure 22 high quality angus females with huge potential. These future breeders are backed by the proven genetics of Gilmandyke Angus Stud Bloodlines. Presenting in great condition these heifers are well grown and would be a great addition to any commercial program. Averaging 300.4kg at assessment. Heifers are ideal for letting settle then set up for joining in the spring. These heifers have had everything done right in their preparation for sale with health treatment up to date. These heifers come with my highest recommendation.
