Handled With	Worked well in the yards and going over the scales. Great steers to handle. Dogs , Horses , On foot , Vehicles
Assessor Comments	Growthy black steers with solid medium to large frame. Good bone and conformation, they are showing a very good degree of muscling. They should perform very well for either domestic or export markets, probably best suited to grow out to heavy export feeder weights or heavy MSA slaughter weights. They have never been fed grain or treated with antibiotics. The two steers noted as horned have very small horns, note photos. The vendor has 2 other lots in this sale, 10 heifers the sisters to these steers and 6 very good quality Charbray Composite steers. Vendor will DELIVER FREE OF CHARGE to Warwick on the Tuesday of the week following the A+ sale. Tuesday is Warwick sale day. Any variation by prior arrangement.
