Assessor Comments	Very growthy composite steers with solid medium to large frame. Good bone and conformation, they are showing a very good degree of muscling. They should perform very well for either domestic or export markets, probably best suited to grow out to heavy export feeder weights or heavy MSA slaughter weights. They have never been fed grain or treated with antibiotics. The vendor has 2 other lots in this sale, 11 Angus Brangus steers and 10 Angus Brangus heifers. Vendor will DELIVER FREE OF CHARGE to Warwick on the Tuesday of the week following the A+ sale. Tuesday is Warwick sale day. Any variation by prior arrangement.
