Assessor Comments	Well bred black heifers with medium to large frame. Good bone and conformation, they are the full drop, no heifers being retained. The top end would suit to keep as future breeders or alternatively they would suit to background to domestic weights to finish grain or crop. They have never been fed grain or treated with antibiotics. The vendor has 2 other lots in this sale, 11 steers the brothers to these heifers and 6 very good quality Charbray Composite steers. Vendor will DELIVER FREE OF CHARGE to Warwick on the Tuesday of the week following the A+ sale. Tuesday is Warwick sale day. Any variation by prior arrangement.
