Assessor Comments	A very good quality line of Angus weaner heifers. 1 brand acc breeder. These heifers would normally be kept as future breeders and only offered for sale due to sale of the vendors breeder property at Tenterfield. Complete drop of heifers offered. Heifers are well grown and show very true to type. Bred out of Rennylea, Clunie Range blood cows by Speriby North bulls. Very good temperament with a 6 week weaning period during which they were fed pellets from a self feeder. Note: 2 young weaner bulls have been in with heifers (250kgs). Opportunity to purchase 1 brand quality Angus heifers - suitable for feeder operations. Would make a top quality line of future breeders. Please note: vendor also has 10 steers this sale.
