Assessor Comments	A good quality line of 1 brand acc breeder Angus weaner steers. Steers are well grown and show good type. Steers out of Rennylea, Clunie Range blood cows by Speriby North bulls. Very good temperament and have been fed weaner pellets out of self feeders during weaning for 6 weeks. Steers are ideal to take through to trade/export weights for feedlot markets or take through to heavy kill cattle with MSA potential. Vendor also has weaner heifers this sale.
