Assessor Comments	Tops of the drop vendor bred Reiland Angus blood weaned steers. They are well grown for age on a decent frame with an estimated delivery weight of 372kg with weights ranging from 324-465kg full at assessment. 100% antibiotic free and grass fed eligible. These steers are in perfect condition leading into the spring having been supplemented silage and are visually moving forward currently and will continue to perform with spring now upon us. They have been well handled and were a pleasure to handle through the yards for assessment. Please note vendor is offering another line of bought in steers in todays sale. Should you require any further information please call.
