Assessor Comments	A great even line of Hereford and Hereford Cross hefiers off "SnowVale", presenting in fresh forward condition with good bone and shape coming through a mild Upper Murray winter. These heifers would make a great addition to any herd. They have been set up to be great commercial breeding prospect, from a herd focusing on calving ease, good growth rates and good temperament. All animal health treatments up to date. Grass fed heifers that would make great future breeders or trade heifers. **Grass fed eligible** *Vendor has another lot in the sale*
