Assessor Comments	A great even line of Hereford steers off "SnowVale", presenting in fresh forward condition with good bone and shape coming through a mild Upper Murray winter. These steers present exceptionally well, and would suit either taking forward into a feeder market, or finishing for trade/export markets. Coming out of a herd focusing on calving ease, good growth rates and good temperament, these steers are set to perform. All animal health treatments up to date. **Grass fed eligible** *Vendor has another lot of steers in the sale*
