Assessor Comments	The Heatherlie steers are a good quality line of predominantly Red & Red Baldy Euro infused weaners presenting in true store condition. These steers show frame, length & bone. Having done a lot of growing through a cold wet winter, they are ready to bound ahead given the right opportunity. Ideal to grow out for the trade market. The Heatherlie weaners are well known 'doing' cattle, with regular supply to AuctionsPlus & Barnawartha store sales attracting repeat competition. Note: Another lot of brothers in same sale.
