Assessor Comments	A very good quality line of principally Angus, Droughtmaster, Simmental cross steers. 1 brand acc breeder. Steers bred on vendor's two properties - 'Kondar', Goondiwindi, and 'Timor' Injune. Steers are properly weaned and have very good temperament. Steers show good weight for age and are well grown with good bone and muscling. Steers are very well bred and quality bulls are purchased. Steers are all good flatbacks showing very little pizzle. Come highly recommended.
