Assessor Comments	A good line of young weaner heifers. 1 brand acc breeder. Vendor has heavier heifers this sale. These heifers are very well bred and show good type and femineity. Very good temperament. These heifers have the ability to be very suitable replacement breeders or grow out into trade/export feeder weights. Note; 2 head showing brindle markings but good flatback types. Vendor uses top quality bulls in breeding with Angus from Tex Angus and Gunda Park, Simmentals from Lucrana and Droughtmaster from Clonlara. Note: Vendor has another 3 lots this sale.
