Assessor Comments	A great opportunity to purchase a line of 1 mark quality heifers. These heifers are sired by leading Angus bulls from Booroomooka, Eastern Plains and Bald Blair. Heifers are definitely suitable to join up to the bulls of your choice as they are good moderate frame, with plenty of depth and good shape females. The average weight of the heifers at assessment was 380.1 kg and they will continue to do well, up to delivery as there is still plenty of feed in the paddock.
