	Caves are very quiet in the paddock. Due to not being weaned yet they were a little unsettled in the yard but will settle nicely when weaned.		
Handled With	Dogs , Horses		
Assessor Comments	A good quality small yard of Shorthorn x Angus steers that are unweaned & eligible for the Grassfed market. Good soft steers that would make a great feeder steer or easily fattened on grass. They are very well bred. Offering their sisters in the same sale.
