Assessor Comments	On offer is a rare opportunity to purchase selected lines of pure Renny Lea and Bongongo blood Angus Heifers, NSM. This herd retains a great reputation with feedlots and fellow Angus breeders for their growth, fertility and performance. The vendor purchases sires in the top 5-10% every year and this year has decided to only retain 120 of the yearling Heifers due to calving down 400 heifers last year. Please note, vendor has one other lot in sale that are same description, just running on different property. Can highly recommend.
