Assessor Comments	JK & JJ Star offer 34 steers presenting in excellent condition with all the shape and frame to go with them. Using Llandarlo Angus blood picked for big growth traits and out of big frame cows these calves have all the potential you could ask for to			

grow on. These calves have excellent temperament, with calves responding well when put under any sort of pressure. Cold country bred cattle from a renowned upper murray cow herd and have been running on adjustment. These calves will perform extremely well in any chosen ration or grass fed program.
