Assessor Comments	Good even run of 100 straight Angus steers that will make a neat bdouble load. These steers were purchased out of Carcoar Blue Ribbon feature sale in the autumn. They were put on the road for 3 months to get experience and have been on improved pasture last 3 months and are really on the do. Just losing their winter coats and feed has been a bit rich for them but hardening up now and amazing how they've jumped away. All steers have had their 2nd booster shot and drenched 1 month ago. A small tail was removed so all are sound and good in the eyes. Buy with confidence great opportunity to buy 1 neat bdouble load steers that are already weaned, quiet and ready to perform.
