Handled With

Steers were incredibly quiet to handle throughout the whole assessment period. Confident to assess them all as quiet.

Vehicles

Assessor Comments	Excellent quality Limousin weaner steers. Bred on pure Donna Valley blood, these calves present in forward store condition with plenty of frame and growth for age and are moving ahead on silage and fresh pasture. Hard article to find, yard weaned, big butts, great temperament. These calves are generally taken on through the spring and sold into the domestic beef market. Always achieving commendable carcass results.
Assessor	Oliver Mason (Level 2 Accredited) Phone: 0409 295 826
