Assessor Comments	Offering an extremely quiet and neat line of steer weaners on behalf of Steven Mooney of Everton. Steers have been sired by Table Top Angus and Murramungee Angus Bulls. Stock are regularly handled in a low stress environment both in the paddock and the yards, hence their quiet nature and well-behaved manner. These steers present in fantastic condition and show the frame and structure that would be ideal to target feedlot entry weights or suited to grow out to heavy bullock weights. Please note that vendor has another 14 heifers for offer in the same sale. Grass Fed only, Antibiotic Free.
