Handled With	Very good steers to handle in the steel yards and crush they didn't stress at all and moved with little fuss . Bikes , Dogs , On foot , Vehicles		
Assessor Comments	The Hurley Famliy have bred a great run of even steers that show great growth and depth of muscle going back to the Millah Murrah bloodline. These steers would suit any job being a grass or grain fattening operation . The steers handled very well and show great temperament. Please note that a small number of steers are showing ringworm but not deemed detrimental.
