These heifers moved through the yards and crush showing little fuss or stress and were good to handle													
Handled With	Bikes , Dogs , On foot , Vehicles												
Assessor Comments	The Hurley family have done a great job with these heifers as they handled very well, the Millah Murrah bloodline stands out in these heifers showing plenty of muscle and stretch . These heifers would make great future breeders for any herd . It's been a dry start in Dargo for these heifers but they have done well. Please note that a small number of these heifers are showing ringworm not deemed detrimental.												
Assessor	Rob Ould (Level 2 Accredited) Parallel Assessed By : Dale Atherton												
Delivery Period	16/09/2023 to 22/09/2023 (7 days)
