Assessor Comments	A quality line of vendor bred Charolais heifer's with a good temperament. The Forte Family have been breeding Charolais cattle for many years using strong Paringa bloodlines. The heifer's present in forward store condition, showing plenty of bone, length and depth and won't disappoint. Weighing 333kg at assessment they are read to launch as spring progresses. A great opportunity to secure a quality line of heifer's that would compliment any herd.
