Assessor Comments	A neat line of young heifers, by a Simmental/ Angus bull out of large-framed shorthorn cows. They are very quiet and easy to handle, over the years the vendor has put a lot of emphasis on temperament in their cattle and these are a testament to that. At only 8-9 months old these heifers show excellent bone & shape, with some warmer weather and spring feed these will do excellently. An excellent dual prospect with the opportunity to grow out as future breeders or fatten for sale. These cattle are still very much in their winter coats which is to be expected in the cold climate they are in. Please note this vendor has a lot of 18 steers in this sale also.
