Assessor Comments

Ac DALANI, 13, Aug/Sept drop Angus & Murray Grey steers, av 270kg. These are a good line of spring drop calves being sold while fresh. Yard weaned to make it easy to handle them and bred from med/Large framed Angus & Murray Grey cows. They have good frame for age in fresh condition with enough frame ready to grow on. They have good bone and hip and showing good muscle traits while being easy to handle.

Assessor	Steven Doecke (Level 1 Accredited)
